WORKING HUNTER PONIES

Restricted to 20 in each section. Working Horse/Pony. Stallion, mare or gelding, 4 years old and over. Riders any age. These classes are designed to encourage the horse/pony and rider to perform stylishly.

Method of judging:

Horses/ponies will enter the ring individually and jump a course of obstacles designed to produce a maximum of 10 jumping efforts. Course builders are recommended to avoid fences with a related distance. Each jumping effort will be marked out of 10 – at the judges' discretion. There is no set penalty for a pole down or run out, but three refusals will result in elimination. Fall of horse or rider will result in elimination. There will be no mark awarded for conformation or manners, but a mark will be awarded for overall impression at the completion of each round. In the event of a tie, the overall impression mark will determine the final placing. Should there still be an equality of marks, the jumping marks will be taken into consideration - the comparison beginning with fence one and continuing thereafter until a result is achieved.
